Purpose

The Sisseton-Wahpeton Oyate Tribal Research Office implements the Chapter 77 Research Code by reviewing and permitting research/information gathering projects within the boundaries of the Lake Traverse Reservation. The main objective of the Tribal Research Office is to ensure research projects are relevant, tailored, and culturally appropriate.

The Local Research Review Board

Tasked with determinations regarding research/information gathering projects. Learn more at [Local Research Review Board | Sisseton Wahpeton Oyate \(swo-nsn.gov\)](https://swo-nsn.gov)

Permit Requirement

LRRB approved research/information gathering projects receive a permit. The permit number and expiration can be cross referenced on the Research office website's "SWO TRO Current Research Projects" found at the bottom of web page [Research | Sisseton Wahpeton Oyate \(swo-nsn.gov\)](https://swo-nsn.gov)
